

GARDEN CLUB

Part 2: You are a new member of a garden club. Fill in the form. Write in sentences. Use 20 – 30 words.

Why did you join the club?

I joined the garden club because I love plants and enjoy spending time outdoors. It's a great way to learn about gardening, grow my own plants, and help make the environment more beautiful. Plus, I can meet people who share the same interest.

Part 3: You are a member of the garden club. You are talking to three other members in the garden club chat room. Talk to them using sentences. Use 30 – 40 words.

A: Describe your garden?

My garden is small but beautiful. It has colorful flowers, like roses and daisies, and some vegetable plants such as tomatoes and lettuce. There are also a few trees that provide shade, and I enjoy spending time there every day.

B: Do people in your country like gardening?

Yes, many people in my country enjoy gardening. It's a popular hobby because it allows people to relax, grow their own food, and improve their surroundings. Gardens are often found in homes, parks, and even on rooftops in some areas.

C: What is your favorite season? Why?

My favorite season is spring. I love it because the weather is mild, and nature comes alive with blooming flowers and fresh green leaves. It's a great time to spend outdoors, enjoy the sunshine, and see everything grow.

Hi Sara,

I wanted to tell you that the talk on "The Gardens of Japan" by Mr. Seiko has been canceled because he is ill. Instead, Mr. Jones will give his talk on "The Gardens of England" again. I know we've heard him before, but it should still be interesting. It's a good chance to learn more about English gardens. I hope you can join the talk too!

Love,
Nguyen

Dear Manager,

I hope you're doing well. I received your email about the change in the upcoming event. I'm sorry to hear that Mr. Seiko is ill, and I wish him a speedy recovery. It's great to know that Mr. Jones will give his talk on "The Gardens of England" again.

Although I've heard Mr. Jones speak before, his talks are always interesting and informative, so I'm sure many of us, including myself, will enjoy it again. However, I understand that some members may be looking for something new. Perhaps we could consider inviting a different speaker or exploring new topics in the future. For example, we could learn about gardens in other countries or discuss new gardening trends.

It could also be nice to have a Q&A session or a discussion after the talk. This would give everyone a chance to share ideas and learn from each other.

Thank you for organizing the event. I look forward to hearing Mr. Jones again.

Best regards,
Pham Khanh Nguyen
